Our agency has the pleasure of offering a complex of 6 completely renovated and new apartments with sea views and a few steps from San Agustín beach. The complex has a community pool, community tropical garden, solarium, common areas, 'SPAR' supermarket in opening works, access stairs to the apartments, several private entrances to it and outdoor parking.~~Distributed in six apartments. Five of them consist of a family bedroom and one with two bedrooms. All have air conditioning, washing machine, sea views or views of the complex, equipped kitchen, living room and shared private terrace.~~They are currently active in the vacation rental system. An investment guaranteed by being positioned in one of the most visited tourist areas in the south of Gran Canaria.
