

Bungalow in Puerto Rico

Price excl. costs: 245.000 €

Zone: Puerto Rico

Community fees: 120 €

Ref: AI-232

Bedrooms: 2

Bathrooms: 1

M2 constructed: 89

Beautiful fully renovated bungalow in a quiet complex with views of the entire Puerto Rico ravine and the sea. It has 53 square meters, distributed in two floors, each one of about 26 square meters. ~On the ground floor there is a spacious living room with an integrated kitchen-diner, a toilet and a 12 m2 terrace. Through a beautiful staircase that divines an exquisite taste, we find two bedrooms on the upper floor and a full bathroom. In addition, the two bedrooms have access to a 3 m2 terrace with beautiful views. Its orientation to the west allows you to enjoy the marvelous privileged sunsets of this area of the island that offer a wonderful daily spectacle, with a sky that exhibits its best colors.
