1. Location ~The bungalow is located in the Campo International district, between Playa del Ingles and Maspalomas. This quiet neighbourhood consists mainly of bungalow and apartment complexes with beautifully landscaped gardens. Within walking distance there are two supermarkets and a steadily growing number of restaurants, bars and leisure clubs, as well as an 18-hole golf course "Campo de Golf" with a restaurant open to the public. A German hairdresser, a dentist and a gym are located in a small community centre. Entertainment for young and old is provided by the newly opened "Ocean Park" water park and the Holiday World leisure centre, with a wide range of entertainment and dining options. The bungalow is located in a cul-de-sac in a complex with only 11 bungalows.
