Excellent opportunity to acquire a property in which to reside and invest. This villa is located in the VISTA PARQ complex, the only villa among 76 other duplexes. This feature gives the property an extra security, as inside the complex where you enter the entrance of the villa is a safe environment. This complex is located on the eastern slope of the ravine of Puerto Rico, at a medium height, in front of the CC Mogan Mall, where the views of the whole urbanisation and the colours of the sky at sunset will provide you with a daily spectacle either during the day or at night, with the incredible landscape of lights.~~This villa is divided in two houses, a residential one of two floors with 107,19 m2 and two terraces plus a parking area that means 128,18 m2.
