Completely refurbished flat, situated in Residencial El Valle, on the eastern slope of Puerto Rico, facing north-east so that it enjoys the afternoon sun, with views over the whole urbanisation. The beach is about 15 minutes walking distance or 1500 metres away.~~Excellently located, with all kinds of services within walking distance, as it is very close to the shopping centres which are 400 metres away. The communal areas of the complex are in very good condition and it has a large solarium area.~~Residencial El Valle is distributed in 3 blocks and has 150 properties. There is a private garage and this property is sold with two parking spaces of about 12 square metres each.
