Spread over two floors and unfurnished, it offers a blank canvas to design and decorate to your taste, with enough space to create up to four bedrooms. The style is modern, with white tones, large windows, and plenty of natural light enhanced by two interior patios. ~Upstairs, a spacious terrace offers open views of the Mogán ravine ? a perfect place to relax outdoors. It also includes an outdoor shower, a practical touch for sunny days. Although it's a refurbished home, the original thick walls have been preserved, helping maintain a pleasant indoor temperature year-round.
