

Apartment in Puerto Rico

Price excl. costs: **150.000 €**

Zone: Puerto Rico

Community fees: 127 €

Ref: AI-280

Bedrooms: 1

Bathrooms: 1

M2 constructed: 33

Cosy flat situated in the middle part of the western slope of Barranco de Puerto Rico, facing south-east so that it enjoys morning sun all year round, with views over the whole urbanisation. The beach is about 15 minutes walk or 800 metres away.~~The location of the complex is very good, being able to access all kinds of services within walking distance, such as supermarkets and all kinds of shops and services offered by the shopping centres, located at about 200 metres. These flats are decorated in a simple and functional style when selecting the elements that make up the different spaces. This complex is distributed in 4 blocks and has 72 flats. There is communal parking and a wonderful swimming pool with solarium.
