Discover this exclusive semi-detached bungalow, a property that combines modern design, privacy, and high-quality finishes. Spread over two floors, it offers a unique living experience. It features a spacious parking area for two vehicles, a pristine garden, and large terraces, perfect for enjoying the year-round pleasant weather. ~On the ground floor, the design emphasizes brightness and a seamless connection to the outdoors. The main living room, with an elegant sliding glass door, opens onto the main terrace, creating a continuous space for relaxation and socializing. The home is equipped with automatic awnings, climate control, Swarovski crystal lighting, and energy-efficient technology, including solar panels and wall insulation, maximizing comfort while minimizing energy consumption.
