Apartment located at the top of the western slope of the Puerto Rico Ravine, a quiet and peaceful area where you can relax and enjoy yourself. It faces south, so you can enjoy the sun from the early hours of the day in both summer and winter, as well as panoramic views of the sea, the beach, part of the marina and the entire ravine.~~Puerto Rico beach is about 1500 metres away, and across the avenue in 10 minutes you can reach Amadores beach, with a wonderful Beach Club, where the sun and music are a must. Both beaches are connected by an avenue with endless sea views, much appreciated by people who enjoy walking in the sun or running while sunbathing. ~~The property is located in a complex of 114 flats, distributed in 5 staggered blocks, with 4 or 6 floors and 3 or 6 flats in each block.
