This iconic complex is located in the middle of the eastern slope of the Barranco de Puerto Rico, facing west, so it enjoys the sun from midday until sunset. This orientation means you can enjoy spectacular sunsets, a privilege of this area of the island, which offer a unique spectacle every day, with the sky displaying its best colours. Its location is phenomenal for those who enjoy the tranquillity of residential areas. ~~The Las Fresas complex consists of 60 two-storey bungalows. The swimming pool and solarium, which have been completely renovated, are located on the ground floor with fantastic views of the entire development and the sea. The common areas of the complex are currently being renovated. It also has communal parking.
