The apartment is located in one of the clearly most sought after complexes in Puerto Rico, Guanabara park, more specifically in the New Valley. In this part of Puerto Rico the surroundings are more peaceful, the constructions are generally newer and there is a beautiful, green park in the valley that can be enjoyed by everyone on their trip down to the marina and the beach. Extremely easy access to the popular mountain trails in the area for those who enjoy hiking. There is a small mall in Nydalen itself and walking distance to all the amenities of Puerto Rico. The apartment is located southwest-facing on the second lowest floor of the complex - closest to the sea, which makes the view unique. Stair access to the apartment from the upper part of the complex.
