M2 constructed/plot: 243/507

Plot for sale with project for the construction of a new-build villa in Barranco del Cura, located in a peaceful residential environment. The project includes a contemporary-design detached home distributed over two floors plus a basement level, offering a versatile surface area with multiple usage possibilities. The property is designed with three generously sized bedrooms, prioritising natural light, functionality and connection with the outdoor spaces. The plot includes extensive outdoor areas planned for a garden, terraces and a swimming pool, allowing full enjoyment of the climate and surroundings. Located at the end of a cul-de-sac, the property guarantees a high level of privacy and tranquillity, with no through traffic.
