A small paradise in a quiet location of Maspalomas. This exclusive property stands out for its magnificent outdoor area, designed as a private oasis that invites you to relax and enjoy the privileged climate of southern Gran Canaria. The plot features an elegant heated pool, private palm trees, and a spacious terrace that receives sun all day long—perfect for both relaxing hours and social gatherings outdoors. The layout is functional and welcoming: the ground floor consists of two bedrooms, a separate kitchen, two full bathrooms, and a spacious living room. On the upper floor is the third bedroom, designed as a light-filled, glass-enclosed penthouse with a private balcony, making it an excellent choice for a master bedroom, office, or versatile space.
