M2 constructed: 39

In one of the most sought-after areas in the south of Gran Canaria, Bahía Feliz, this welcoming studio is located in the Nueva Europa complex, a particularly attractive location both for those looking to enjoy the island and for those wishing to invest in an area with strong tourist and residential demand. Although it is a studio, its carefully designed layout allows you to enjoy different, clearly defined areas. Beside the large window there is a pleasant living area, with a spacious sofa and television, ideal for relaxing and enjoying the brightness of the space. The kitchen, arranged on both sides, makes practical and functional use of every centimetre, while the generous area intended as the bedroom provides comfort and a sense of spaciousness.
