Excellent semi-detached house in Loma Dos over three floors with private pool. The spacious house was built in 2000 and renovated in 2014. The bathrooms were renewed and equipped with modern showers, the house repainted, the terrace in front of the salon was glazed, etc. It offers plenty of space with 5 bedrooms, two living rooms and a spacious cooking area. Of particular note are the different terrace areas, which invite you to sunbathe next to the pool, enjoy the view in front of the living room with a glass of wine or eat in the shade on the backside. There is also a balcony and a roof terrace. Next to the entrance to the property is the garage (approx. 20 m²) with space for a car. Next to it a staircase leads to the main entrance.
